Camp Check In/Check Out

- For your child’s safety, you (or your authorized designees) will be required to show a valid form of picture identification before you leave with your camper each day. Please notify the check-in table if anyone other than those you authorized on the camp registration form will be picking up or dropping off your child.

- We do not currently provide before-camp or after-camp programs. As such, we will not be able to supervise your child if he/she is dropped off earlier than 8:45 am or picked up later than 1:15 pm. Please be prompt when picking up your child(ren) from camp, as we do charge $1 per minute and per child past the time of pick up after the 15 minute grace period.

- Only registered campers are allowed to attend “Amazing Animals.”

What should my child wear and bring with him/her?

- Your child will be expected to wear his/her camp T shirt each day so he/she may be identified as a camper while at the Animal Community Center. Shirts will be handed out on the first day of your child’s session. Wearing past HSSV camp shirts is always permitted.

- Your child must wear closed-toe shoes while at camp. Please, no sandals or flip flops. If your child comes to camp without proper shoes, he/she will not be able to interact with animals that day.

- Campers should wear comfortable clothes that may get dirty.

- Please bring bottled water and snack for your child.

- Please apply sunscreen to your child before camp starts and dress him/her in layers, as we will participate in both indoor and outdoor activities.
What things are **not allowed** at camp?

- For the safety of the center animals, please do not wear long-hanging jewelry.
- Storage space is limited. Do not bring large backpacks, games (including video, hand-held or electronic devices) or other valuable belongings. Cell phones must be on “vibrate” during camp sessions unless approved by education department staff. **Please consider labeling any personal belongings your child will be bringing.** HSSV is not responsible for lost articles.
- Campers and their families are not allowed to bring owned pets into the classroom.

**Medication**
- If your child takes medication, he/she should be able to administer medication independently. All medication should be clearly labeled and given to us at the time of check in.

**Cancellation Policy**

In order for a refund to be offered, you must call/email us within the times below:

- **75% refund** 14 days or more before the first day of your camp session
- **50% refund** 8 – 13 days before the first day of your camp session

Refunds will not be issued 7 days or fewer prior to the first day of your scheduled camp session.
