

Feline Foster Help Sheet

Helpful Contacts

Medical Concerns

Scan with phone

For **non-emergency medical** only. Complete a Medical Concerns form and our medical team will get back to you within 24 hours.

Contact Foster Staff

Email feline.foster@hssv.org (preferred)
Call (408)262-2133 ext. 364 (leave a message)

Emergency (Lost/ In Distress)

Daytime: 7am-5pm

Immediate staff response:
(408)262-2133 ext. 188

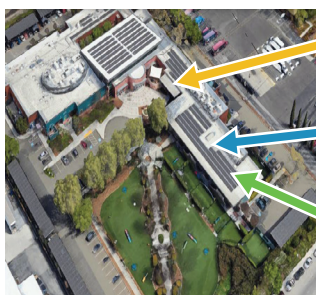

After hours: 5pm-7am

vettriage.com/hssv
Coupon code: "hssv50"
We recommend making a VetTriage account before an emergency

Scan with phone

Always include your foster's 6 digit ID number in all communications

ADOPTIONS

MEDICAL CENTER

FAVS

Medical Center

Surgery drop off/pick up, medical treatment, or rechecks

Foster Animal Vaccination Station (FAVS)

Foster pet pick up/return for adoption, routine vaccination appointments, and supply refill

Getting Ready for Adoption

1. Spay/Neuter

Kittens **must** be in good health and 1.5lbs for surgery. *Sick or underweight kittens will be denied.*

- **Drop Off**
7:00-8:00 a.m. (7-7:30 a.m. Wed)
- **Adults:** no food after 12am night before; water OK
- **Under 4mo:** ½ size breakfast morning of surgery

Late arrivals may be turned away

2. FAVS

Schedule vaccine boosters for healthy kittens and supply pick-ups:
<https://HSSV.as.me/FAVS>

3. Personality Profile

Submit your foster personality profile **before surgery.**

Feeding Instructions

Kittens should **always** have clean water and dry food available to them.

Feed wet food 3x day (about ¼ can per kitten each meal).

Contact your mentor for help with picky kittens.

Weigh kittens every day to ensure proper weight gain – approx. 100g/0.25lbs per week

Advice/Resources

Mentor

Your mentor will get in contact with you after you pick up your first foster. Questions before you get a mentor? Contact felinefostermentors@hssv.org

The Feline Foster Manual
